

3-Hour Performance Optimization Workshop

Monday, February 27, 2012, Arlington, Virginia

Finally, a practical and jargon-free 3-hour performance optimization workshop that introduces strategies to improve:

- ✓ Risk Oversight
- ✓ Strategic Planning and Tactics Execution
- ✓ Financial and Operational Performance
- ✓ Resiliency to Known, Emerging and Unknown Risks
- ✓ The Flow of Critical Decision-Making Information for Seizing Growth Opportunities

This is a highly interactive performance optimization workshop for performance-minded executives, key decision makers and risk owners involved in the development of strategies and the management of risks. The workshop focuses on the integration of strategies and the most critical aspects of an effective risk management program:

- Governance, Risk and Compliance
- Performance and Resiliency Optimization
- Strategy and Risk Integration
- Risk Appetite
- Managing Risks
- Business Processes
- Sustainable Measurements
- Reports and Dashboards
- Risk Culture
- Frameworks
- IT and eGRC Solutions
- Tabletop Exercises

Risk management should be driven by a desire to improve the bottom-line.

Our performance optimization workshops are led by our seasoned, top-talent management consulting professionals. Workshop leaders have over 20 years of practical hands-on experience with the big-4, or as corporate executives, government executives or subject matter experts. We also maintain financial independence from public accounting firms, rating agencies, insurance brokers, standards organizations, framework providers and software vendors. Our presentations, discussions and advice are uncompromised.

Check-in and continental breakfast are from 8:00AM – 9:00AM. The workshop starts at 9:00AM and finishes at 12:00PM. Beverage service will be available throughout the morning. Participants will receive a workbook at check-in and a certificate of completion with 3 continuing education credits at the end of the workshop.

Only \$499 USD per person. For quality purposes, this workshop is limited to 15 people.
